

Materials

Insulator : PBT, UL 94V-0
 Contact : Copper Alloy

Specification

Current rating : 1 Amp
 Insulation resistance : 1,000M Ω min.
 Contact resistance : 1 Ω max.
 Withstanding voltage: AC 500V for 1 minute
 Operating Temperature : - 40°C ~ + 105°C

Order Information

IDC - XX X X — *Contact plating
 Series — S - Selective gold, G - Full gold
 *W - with SR
 *No. of contacts N - w/o SR

Note: Normal Insulator color is Black, for Grey color, put (G) at end of p/n.
